

Mini Sweaters

A LoomKnit.com Design

A whimsical design to use those leftover yarns in the stash. Get some little hangers from your local craft store and decorate for the holidays!

Enjoy,

Isela Phelps

Materials

- [Mini-sock loom](#) by Décor Accents (has 10 pegs spaced at ¼ inch)
- A little bit of yarn, I used DK weight yarn.
- Large eye needle
- Crochet hook

Gauge: 5.5sts per inch

Pattern note: Worked as a flat piece (clockwise around the loom). If using another size loom, size will vary and yarn yardage needed will vary too.

Rows 5-13: SS to end of row

Abbreviations

p=purl

SS=single stitch (twisted knit stitch/e-wrap)

sts=stitches

Cast on 10sts and join to knit in the round.

Rounds 1-4: *k1, p1; rep from * to the end of round.

Rounds 5-11: SS to the end of round.

Remove with flat removal method.

Assembly:

Sew all the pieces together (use mattress stitch).

**Sew the top of the sweater close, leaving a little gap for the neck open. With crochet hook, work 2 rows of single crochet around the neck to give it a little roll to the neck of the sweater.

Have fun with this little pattern. Add little stripes, make holiday sweaters for your Christmas tree, or use some of those self-stripe yarns and get a unique sweater.

**If you are going to put this on a little bear, before closing the top, place the sweater on the bear and close it up with the bear wearing it.
