## ❧ Pattern ❧

Beginning at peg 1, cast on (CO) 14 pegs with the cable cast on method.
Set up row: Knit 1 row of single stitch.

Step 1: Knit 1 rows of single stitch on the 14 pegs. Yarn should be at peg 14.
Step 2: Bind off pegs 14-9: Wrap peg before last (peg 13) and KO.  Move the loop from peg before last to the last peg (loop on peg 13 to peg 14). KO.
Move the loop on the last peg to the peg to the right (loop on peg 14 to peg 13 ).
Step 3: Repeat Step 2 until you reach the marker on peg 8.
Step 4: Knit 2 rows on peg 1-8. Yarn should end by peg 8.
Step 5: Cast on pegs 9-14 by simply e-wrapping the empty pegs. When you reach the last peg, return wrapping back to peg 1. KO.
Step 6: Knit one row.
Step 7: Repeat Steps 2-6.
Step 8: Knit until the scarf has reached the desired length.
Step 9: Bind off all the stitches using the same method mentioned in Step 2. Weave in all tail ends.
